To the Board of Directors and Management of Boise Cascade, LLC

We have audited management's assertion that Boise Cascade, LLC has met the requirements of the Sustainable Forestry Initiative® (SFI) Standard [2005 – 2009 Edition] (the "SFI Standard") for their procurement operations carried out under Boise's Company-wide Fiber and Wood Procurement System in the States of Washington, Oregon, Minnesota, Louisiana and Alabama as of July 15, 2005. Management is responsible for Boise Cascade, LLC meeting these requirements. Our responsibility is to express an opinion on management's assertion that Boise Cascade, LLC met these requirements, based on our audit. The SFI Standard can be found at www.aboutsfi.org.

Our audit was conducted in accordance with the ISO 19011:2002 management system auditing standard and accordingly, included examining on a sample basis, evidence supporting management's assertion that Boise Cascade, LLC met the requirements of the SFI Standard, evaluating on an overall basis whether the requirements were met, and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, Boise Cascade, LLC met, in all material respects, the requirements of the SFI Standard as of July 15, 2005.
